Thank You!

The Staff at the Haldimand Norfolk Housing Corporation would like to thank you for the large jug of hand sanitizer you dropped off this week.

As an essential service, the staff at HNHC have been working hard to support our residents. We've been taking precautions to keep our staff safe and healthy and the continued use of hand sanitizer throughout the day has been a big part of that. Our supply was getting low and with ordering delays this was a big concern.

Our Board President, Jeff Miller contacted you and within a few days there was a knock at our door. We can't thank you enough for your kindness and generosity; not just to us but to many individuals and organizations throughout our community. You are what make Norfolk County a special place to live and work!

Gratefully yours,

The HNHC Team

Strengthening our Counties one neighbourhood at a time.
