To the Members of the  
Haldimand-Norfolk: Sewing for COVID19

# Thank You!

The Staff at the Haldimand Norfolk Housing Corporation would like to thank your group for your generous donation of hand-sewn face masks!

Not only did you supply masks for residents of our seniors building in Dunnville, but you also provided our staff members with masks as well.

As an essential service, the staff at HNHC have been working hard to support our residents. We've been taking precautions to keep our staff safe and healthy so that we can continue to provide our residents with the services they require. Your masks are helping us keep ourselves, and others we come in contact with safe.

We can't thank you enough for your kindness and generosity. Your hard work is appreciated!

You are what makes our community a special place to live and work!

Gratefully yours,

The HNHC Team
