1.4 Quality of Work and Warranty

- 1.4.1 All work performed by the Contractor shall be completed to the satisfaction of the Haldimand-Norfolk Housing Corporation, or an authorized delegate. Failure to provide and maintain a standard of service and workmanship acceptable to the Haldimand-Norfolk Housing Corporation or an authorized delegate will result in the contractor receiving no further allocation of work immediately following the period in which the unsatisfactory work was carried out and render the contractor, at the discretion of the Haldimand-Norfolk Housing Corporation, liable to removal from the approved contractors list.
- 1.4.2 The final payment for any individual unit does not relieve the contractor from responsibility for faulty materials or workmanship which may appear within a period of 90 days from the date of final completion of the work. Any defects shall be remedied at his/her own expense.
- 1.4.3 The Contractor will indemnify and save harmless the Haldimand-Norfolk Housing Corporation, South and Metcalfe Non-Profit Housing Corporation, and Dunnville Non-Profit Housing Corporation and its officers and agents from all claims relating to labour and materials furnished for the work, and from and against all claims, demands, losses, costs, damages, actions, suits or proceedings by whomsoever made, brought or prosecuted in any manner based upon, arising out of, related to, occasioned by or attributable to the activities of the Contractor in executing the work under the Contract or to any infringement or an alleged infringement by the Contractor of a patent or invention.
- 1.4.4 All work, materials and products, their method and timing of installation, manufacture, formulation or construction which I/we submit or propose in this submission will comply with the Specifications attached and will not be changed without written consent of the Haldimand-Norfolk Housing Corporation. Failure of any work material, product, method or timing to meet the specification shall be sufficient reason for Haldimand-Norfolk Housing Corporation to order suspension of all work.
- 1.4.5 Where applicable, inspection certificates for the installation of electrical wiring and equipment, natural gas, heating boilers, etc. shall be obtained from the Federal, Provincial or Municipal authority responsible for the issuance of same, and the Contractor agrees to obtain and deliver such certification to the Housing Corporation before receiving final payment.
